

Donation Opportunities for the Petawa Oratory

Imagine a culture transformed by Christian women who are empowered in their true nature as children of God, virtuously and joyfully living out their call to personal holiness, sanctifying their homes, their professions, and their communities.

Integral to the formation that Petawa offers women and girls is the spiritual impetus that comes through and from each one's interior life. The oratory at Petawa that houses Our Lord in the Blessed Sacrament is a place for personal prayer, spiritual growth, and sacramental renewal.
